Bachelor of Computer Science.

### Sri Krushna Chandra Gajapati Higher Secondary School, Paralakhemundi

+2 Science.

### Sri Jagannath High School,Sidhamadaga.

Class 10.

## PROJECTS

### Attendance App

<https://drive.google.com/file/d/1dTDJNNg3Qhmdpv71eUqljblgB-wvfKAq/view>

The Attendance app facilitates efficient management of classes and subjects, enabling users to organize classes, add students, and maintain attendance records seamlessly. It includes a calendar feature for tracking student attendance on specific dates. Technologies:- Android Studio, SqliteDBHelper

### Basic Calculator

A basic calculator designed for standard arithmetic operations such as addition, subtraction, multiplication, and division. It features a clean and simple interface with a number pad and basic operation buttons for easy use. The design is responsive, ensuring usability across various devices. Technologies: HTML, CSS, JavaScript.

### Other Small Projects

Vaddadi-Rushikesh (github.com)

A collection of smal projects including a visually engaging landing page, a user friendly stopwatch, an elegant portfolio, a practical attendance app.
